

**LAKE
HARRIET
YACHT
CLUB**

**1965
Season**

"I know of no more wholesome extension of one's recreational, social, and family life than the sport of sailing. To be associated with it, is one thing; to be a part of it, is another; to be both, is to belong to the Lake Harriet Yacht Club. A finer medium for the presentation of sailing, in all its aspects, would be difficult to find. I am privileged and proud to be a member."

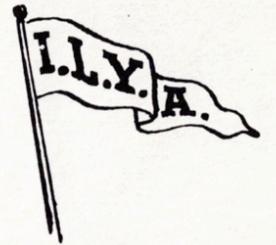

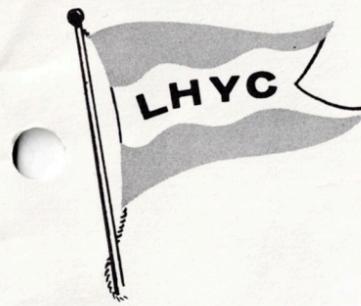

Bo Warner

HIGHLIGHTS OF THE 1965 SEASON

The best year yet -- that's the meaning of 1965 to Lake Harriet Sailors.

The "D" fleet has maintained its position of superiority with another first in the Interlakes Regatta and a second by Bill Coppage at the Interlake; Top performance from our "D" skippers and their crews is standard procedure at all regattas.

The "C" fleet has been improving steadily for several years - and the results of this effort are apparent this year. For the first time in many years, Lake Harriet "C's" captured third position at Interlakes and Doug Backstrom made his mark in history by taking third in the Inland.

Our "X" fleet is smaller this year than it has been for a number of years, but the sailing has been very competitive with several excellent skippers vying for victories each week end.

Our Parents' fleet was more active and more competitive this year. Several new skippers with new equipment added to the Sunday afternoon excitement. In fact, Dr. Schultz liked the Parent races so much he's moving into the "C" fleet next year.

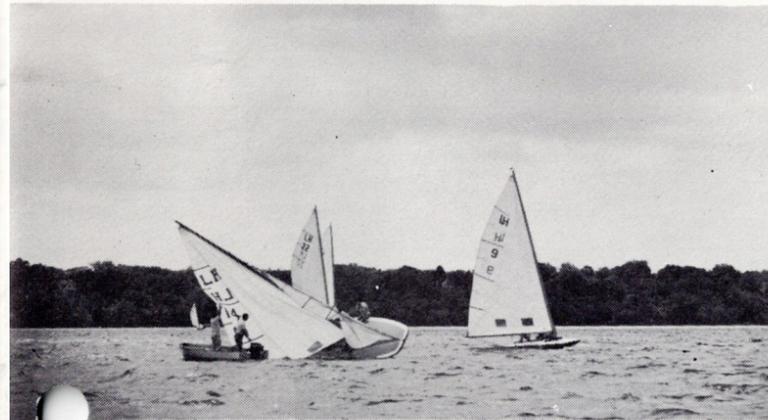

The season champions in each of the three fleets are: D Fleet: Pete Wattson, Mentor #28; C Fleet: Doug Backstrom, Finesse #17; X Fleet, Bob Doerr, Swingin' Doerr #100.

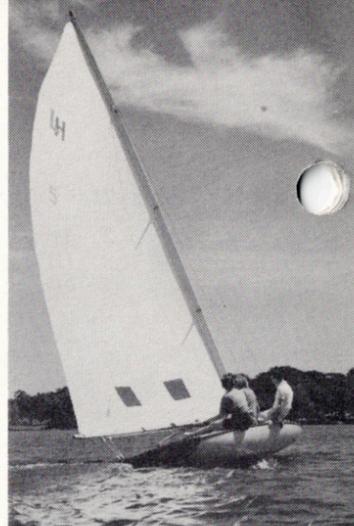

The Racing Committee under Bruce Nicolle scheduled an action-packed summer for our sailors. In fact, the committee did such a great job that there was only one week end between Memorial Day and Labor Day that had no scheduled races. This workload kept our judges Bill Burnet, Fred Hird, Dick Backstrom, Bob Larsen, and their many assistants going full-speed even on the hottest days of the summer.

No report would be complete on sailing at Lake Harriet in 1965 without mentioning this year's top skipper - Commodore Bo Warner - who did such a terrific job of directing the club's activities. He threw himself into the job with real enthusiasm and many people who have directed or served on committees at his request have been inspired by his example.

Joe Lee
Secretary
Lake Harriet Yacht Club
