LAKE HARRIET YACHT CLUB

1968 SEASON

Commodore's Report

There is no finer sport for family participation than sailing and no finer training ground for the lessons of life. Through sailing one grows in the appreciation of fair play, good sportsmanship, teamwork, and the ability to compete. He experiences the exhilaration of physical and mental exertion. Through the growth of its members, Lake Harriet Yacht Club has continued to prosper as a unique urban sailing club, centrally located and easily accessible to all who wish to participate. To play a part in the continuing progress of L.H.Y.C. has been a privilege.
