Commodore's Report

Eighty-six boats in three classes competed during this twenty-eighth season at the Lake Harriet Yacht Club making our club one of the largest in the ILYA. But size is important only if the membership is enthusiastic and active. And this we are! Good sportsmanship, friendship, and dedication to sailing and racing appear at every race and social event, matched only by the exhilaration of the sport and the excitement of the spectator.

For this fine season, we thank our membership and look ahead to 1970.

Bob Rocknem

Member of INLAND
