

Lake Harriet Yacht Club

1972 Season

1972 has been a successful year for all of us in the Lake Harriet Yacht Club. We have initiated new racing and social events, and in the process have introduced the LHYC to an ever widening number of people. To begin the season, our spring "M" regatta is now an established ice-breaker series which has brought over 50 boats from all over the mid-west to our lake. Next, the women's races sailed on Friday mornings have drawn a number of previously neglected females to the waterfront. Then, the new consolation series which excluded the top season finishers gave another extremely competitive group of sailors a chance to "go for the gold". Finally, by eliminating the annual banquet in favor of a more casual, less costly trophy ceremony, we are hoping to bring still further Yacht Club participation by members and fellow sailors and friends.

It has been a great year - many new faces and many old friends of all ages all working together to make sailing the best possible family sport. It has been a very real honor and pleasure to serve as your commodore this season.

Commodore Tews

OFFICERS and DIRECTORS
