LAKE HARRIET YACHT CLUB

Sailing is a very special sport, one of integrity, good competition, fun and lasting friendships. That's why, when the ice begins to break and we spot our first robin, the thoughts and dreams of a distinctive group of people turn to the Lake Harriet Yacht Club and the great days ahead. Founded in 1941, the Yacht Club has established a prominent place for itself in the Upper Midwest as a challenging club on a lake that can always be counted on for fun, surprises and wonderful hours in the sun and wind ... and even in the doldrums, rain and/or cold!

The Yacht Club membership is a dedicated group and this year's annual is dedicated to the person who is probably the most devoted of us all, Mr. Peter Super. A member since 1961 (that's at least 300 sailing weeks!), Pete is a good sailer, friend and hard worker, ever present on the Yacht Club scene.

Pete, the man we think of as "Mr. Yacht Club," is the skipper of MC C-Minor and a regular crew on Jack Friedrich's C. He is also the first one at the lake and the last to go. He's the guy who usually unlocks the shed, sets up the crash boats and judges' boat, who gives rides, and who often solves the "impossible" -- if you've turtled, with your mast stuck in the mud, call on Pete. And it's not just the racing days that you can expect to see him there; after a storm, when you go down to see how your boat fared, you'll find Pete there, helping whoever needs it, towing, turning, giving good advice and generally being responsible for whatever disasters may have occurred.

At the risk of making you blush, Pete, you are seen as an example of the best kind of person/sailer around. You are young in spirit, kind, gentle, generous, loving, a friend and a lot of fun. You are aptly named, Peter ... you are, in fact, S U P E R ! We love you and thank you for all that you are to us.

Even our new members know who Pete is. This year we welcome an especially neat group of people, with all four fleets represented. The MC fleet has 2 new skippers, Bill Hanson on his Micro Cosm, MC 164, and Harry Fuller. Former C boaters from

Calhoun, Harry Fuller and his daughter, Hilary, on their boat Jolie, MC 364, have provided excellent competition this year.

The M fleet has gained crew members with the addition of Sue and Scott Oliver. Sue crews for her dad, Bob Stanek, and Scott crews for Peter Asch. The family of Les Seterdahl has brought 2 boats to our racing fleets. Kirsten is our newest M skipper on Set II, LH 61, and Pete and Mari sail on Set I, LH 64.

The family of Richard and Moira Rummel are also new X boaters, with Rich and Betsey sailing on the Aeolus. Other new families are Louis and June Hunt, with Steve sailing Wind Hunt, X, LH 88; and George and Alice Tillson, with George sailing Bye George II, X, LH 44. Other new X boaters are Paul and Karen Gilles, with John as skipper and Stephen crew on Dream Weaver, LH 27. Bud and Phyllis Mathewson have our first National One Design, Santa Maria; Brian has crewed with Anne Mathewson and skipped, and Jim and Sara have crewed for Neil Weber.

The Yacht Club is always geared up for the races, but there is more. There are sailing classes (a key to future success,) July 4th and Labor Day picnics (with baseball and football games), the Awards Banquet, and even some soccer/tennis/skiing/etc. events. Letters are sent and notes posted on the bulletin board, but DON'T WAIT TO BE INVITED. There is a place for you in the Yacht Club ... even if you DON'T SAIL! Get acquainted and ask what's happening -- YOU are the Lake Harriet Yacht Club!
