**** 1985--A SEASON OF FIRSTS ****

1. 1985 was the first year the MCs were invited to compete in the Interlakes Regatta.
1. The LHYC MC team placed first in the Interlakes competition.
1. In one of the races, the LHYC team members were in 1st, 2nd, 3rd and 4th place at the first windward mark; a thrilling experience for LHYC fleet representatives.
1. The first mini-scow regatta was held this year. The participants had a good time and we have high hopes of establishing a fleet in the future.
1. For the first time, this Spring, two buoys sank. Reeves and Rose were out of sight.
1. The LHYC MC sailors who participated in the Aquatennial Regatta swept all four trophies.
1. This was the first year the LHYC "C" fleet sailed on Lake Calhoun. We hope our sailors come "home" soon.
1. This was the first year lasers participated in the Fall Diehard Ragatta. We expect this to grow and be a strong point in future Diehards.
1. This was the first year the Commodore's Cup was combined with a mass LHYC boat and lift haul-out followed by a party at the Commodore's home.

Many seeds were planted and we hope they will grow and flourish.
