COMMODORE'S LAST LETTER

KATHY SCHURDEVIN

Dear Fellow Sailors,

Another sailing season come and gone. After starting out with one drifter after another, the summer of 1990 finally shaped up into a lovely, moderate season.

We are losing some of our members. Mike and Sally Tannert are off to a new life on the east coast. And next spring we will say goodbye to Ed and Judy Krisch. We were very fortunate to have had these people as friends and LHYC members, and wish them the best in their futures away from Harriet.

At the same time, we have welcomed into our midst new members whom we are finding to be delightful to know, and who show promise of being tremendous assets to our club.

The high point of 1990 was most definitely the revival of the X fleet. This fleet is important to the club for so many reasons: diversity of membership, promoting the sport, and fostering future members of our other fleets, to name a few. It was such a pleasure to get out those dusty X fleet trophies, look at the names going back to the 1960's, and visualize the new 1990 winners engraved on them. We all owe our gratitude to Denny Lander for making it happen.

This club is made up of members who give so willingly of their time and energy to make this all possible. And working with all of you is what has made my year as Commodore a pleasure. But the boat is in the backyard, the sail is in the storeroom, and I have had enough. Next spring however, when the ice goes out, I will be looking out with great anticipation at the cat's paws on the water, and along with all the rest of you, will be eager to start it all over again.

Kathleen Kerr Schurdevin, Commodore

LAKE HARRIET YACHT CLUB
