Lake Harriet Yacht Club 1992

Come Sail With Us

COMMODORE'S LAST LETTER MARK PROCHASKA

Dear Fellow Sailors,

What a year it's been for me and the Lake Harriet Yacht Club! There were old friendships renewed and new friendships made. A year of fiercely competitive races, exciting social events, educational racing clinics, and highly successful regattas.

I know that each of us has gotten more out of the club than we have given. For LHYC is not a collection of individual sailors, but, in a sense is really a large family. Some of our closest friendships have developed on this lake. You can go down to the lake anytime of the year and can almost count on seeing friends from the club. Even though the club is made of diverse personalities, we are bound by common interests—sailing and the uniqueness of Lake Harriet.

Highlighting this year was the strong emphasis on instruction and racing clinics. The inaugural Lake Harriet Cup series was a success and many of our less experienced sailors improved dramatically. The excellent year of sailing was made possible by our expert judges, recorders, and crash boat personnel.

Our social season was successful with club parties occurring all year round. We had classy, highly attended regattas.

But most of all, I would like to thank all of the members of the club, It was a great year of sailing, racing clinics, regattas, and social events. These things don't happen by themselves; it was all the people of the club that stepped forward, took responsibility, and lent a hand that made the year a success and deserve a hand.

Next year John Barbour will need your generous help, so please volunteer to lend a hand. Don't ask what your yacht club can do for you, but ask what you can do for your yacht club. May you all sail on the lifted tacks and finish strong...right behind me!

Thanks for a great year!
