Water

Wind

Early in my training, a girl came in with bad respiratory distress.
I was afraid I didn't know how to help her.
In the midst of the crisis she smiled
and waved

and thus began our long passage.

It became a Jungian "night sea journey" back to a sea of possibilities,
where the first step is over the edge without guarantee of reaching the other
side.

When we sail, we enter a sacred space of water.

We take leave of the shore.

There is that moment, when the breeze freshens; the rigging pulls tight,
water moves under the hull.

Wind fills our boat with life, carries us by a force we cannot feel.

We know which time of day has the best wind, which flag or tree is the
best guide.

We become sensitive to the nuances of nature.

The wake broadens, the boat lifts. It goes where it wants to and then
where we want to.

Sailing returns us to our home, the sea, and the journey becomes the end.

We both survived that night, with lots of help and smiles.

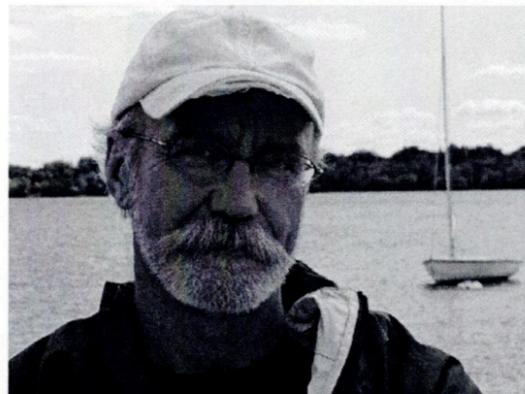

So, you water gypsies, whatever you have to do, do it with play.
See you on the water.

Jim

ILYA Sailor of the Year

Bill Colburn of Lake Harriet was awarded the coveted Pillsbury award for ILYA Sailor of the Year. "This year's recipient embodies who we are. Firstly he is a skilled sailor. Look at the results. Invites, Champs or local events - he is always at the top. Secondly he appreciates serving and promoting his fleet. He has served for many years as the fleet's ILYA rep. He has embraced his local club, Harriet, with a fervor unparalleled. Lastly he is a true gentleman. Rarely do you see someone who is a competitor's sailor. By that I mean, if you are not winning the race, you want this gentleman to be the victor. He garners respect and appreciation for his quiet, deliberate manner. He has been dear to me as I have had the privilege to serve with him many years at the Board level and to watch his interaction encouraging my daughter on the race course. This year the MC Championship was won, at last, by every MC sailor's best friend, Bill Colburn."

- words by Candace Porter at the presentation.

Congratulations Bill!!!

Bill Colburn and crew Maureen Ness won the overall trophy in the 2009 MC ILYA Championships!

Spring Regatta 2009

The 2009 Spring Regatta was a big success with off lake participation and LHYC boats participating. The winds were good and made for some great competition! A good time was had by all at the Lund's home for the Saturday evening party. Jennifer Bowers did a fantastic job organizing this early spring event!!

This year the 4th fell on a Saturday, so LHYC picnicked at Mark and Julie Anderson's welcoming home on Monday the 6th. The weather was great and the partiers lingered all afternoon on lawn chairs sharing stories of start lines and right of way rules.

Although the winds were light on Saturday, the judging team, lead by Dale Borgeson, got in three races. Sunday morning the winds were better and the sailors completed two more races. Jennifer O'Brien and Paul Bastyr planned a fantastic regatta. The Saturday evening party at Joanna Lee's was wonderful and the partiers stayed into the wee hours of the morning. Thanks to all the volunteers who helped to make this regatta a big success!!

Commodores Cup

---	------	------------------

The year of Marquardt was a year of no hot summer days....no dehydration on a double race Saturday in the middle of August....fleece was a constant companion. What a great year 2009 was with active club members, lots of social gatherings, successful regattas and philosophical e-mails. Thanks to Jim for all of his hard work in ensuring this was a successful and fun sailing season. Sheela and Jim hosted the Commodore's Cup party at their lovely home on the other side of the river....for those of you who missed it....you missed out! The scenic route was the way to go and the drive was worth the wonderful gathering (who knew you could make cupcakes into little sailboats and doughnuts into buoys)!

The Dee O'Neal cup was once again a wonderful and fun night for all who participated. Mike Sutton planned a great event with Wendy judging and Mike taking the pictures. The participation from the TCSC was huge and helped to make the event the fun night that it was. The large group gathered at Famous Dave's for the awards ceremony and good eats afterwards.

LHYC Adaptive Sailing Program

The Adaptive Sailing program had a great summer with many new and committed volunteers and quite a few new sailors. Our regulars, Terry, Paul, Sue, Roxanne, Brian, Lynda and Billy were down most Monday's to continue to hone their sailing skills.

The team brought the boats to Lake Calhoun for the Aquatennial Regatta and continued practicing starts and buoy roundings in August to prepare for the Die Hard Regatta. Mike Elson from Calhoun judged the adaptive course where all three boats were out racing.

So, a season where we had several sinkings, lots of sailing and loads of bonding comes to a close. Next spring it will all start up again with a team of committed regulars to both sail and coach.

Pete Taylor Memorial Trophy Best Light Air Sailing 2009

John Getsinger

The big surprise of 2009 was the unveiling of Pete's well known pink boat that has traveled to regattas far and wide. Carol Roth donated the boat to LHYC which initiated a big project for John Hovde and Paul Baltzersen as they painted and restored the boat. August 12th the boat was launched so LHYC is back to 2 safety boats!!

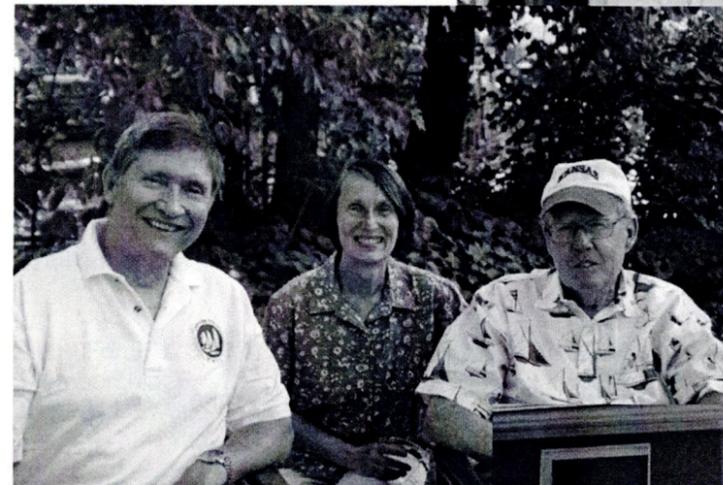

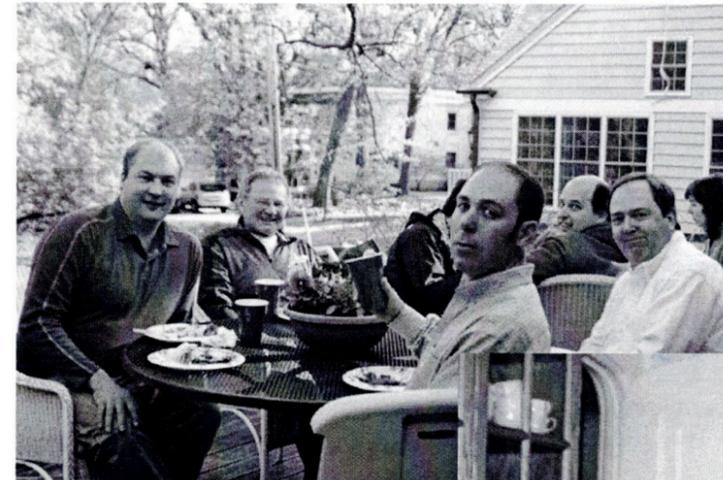

Youth Sailing Program

The LHYC Youth Program had another great year with 6 boats sailing regularly on Wednesday nights. The Youth Regatta in July was a success with over 50 junior sailors testing out the winds on Lake Harriet. There are 8 Optis and 2 420's ready to sail so spread the word. Any family membership gives the family access to the boat. If you know of interested families have them contact Bill Kirkpatrick @ 612-922-6511 for more information.
